- Doug and Bet Lyus established the company in 1968. As the business grew Doug was joined by his four sons. Over the past 50 years four further companies have been opened bearing the DL name. Now in its 3rd generation Doug and Bet are very proud to see their grandchildren managing the companies.
- DL Windows has always been a family run business. Our aim is to make sure that the quality of the products used matches the quality of the installation and customer care; evidence of which can be found in our recommendation's portfolio.
- Your first point of contact is with our highly experienced design and sales advisers who pride themselves on giving good, honest advice and information to make sure you are aware of all the options, enabling you to make an informed decision.
- Our office team are Adam, Michael, and Sylvia who are there to help when you decide to go ahead with us. Along with Darren our surveyor we will ensure everything runs smoothly with your project.
- As a family run business since 1968 every order placed with us will receive our personal attention throughout.
- All our tradesmen have been hand selected over the years ensuring the highest quality is always maintained.
